

PEDIATRIX LATE POLICY

Each Pediatrix patient should expect to be seen by their Doctor/Provider as close to their appointment time as possible. To help make this happen, Pediatrix has established a policy for patients who arrive late for their appointment.

CONSULTS & CIRCUMCISIONS: Anyone who is late will be rescheduled

WELL CHECK, IMMUNIZATION ONLY & RECHECK APPOINTMENTS: Anyone 10+ minutes late will be rescheduled

SICK APPOINTMENTS: These appointments will be kept, but anyone 10+ minutes late will be pushed to a later 'open appointment' slot- erto the end of the day. **We cannot state how long the wait will be**

Pediatrix understands 'things happen,' but this policy has been created to be courteous to all our patients

Thank you for your understanding and cooperation on this matter - Pediatrix
